

**SPECIAL MEETING  
OF THE  
CENTER HARBOR CONSERVATION COMMISSION**

**Wednesday, June 16, 2010  
Otter Pond**

Attending were:

- Conservation Commissioners, Bruce Bond, Chairman, Karin Karagozian, Harry Viens, and JoAnn Wood, Secretary.
- Representing the Center Harbor Board of Selectmen, Randy Mattson
- Don Berry and Peggy Merrill from the Lakes Region Conservation Trust
- Bob Vogler and Bill Corr from the Waukewan Watershed Committee.

The group met at 9AM at the parking lot opposite Mayo Shores Lane for a walk up to Otter Pond. The walk and 'look around' lasted approximately one and a half hours. All agreed that the pond and environs were beautifully unspoiled and merited conserving. And the attendant structure would serve very well as a nature center/ranger station.

Attention will be paid.

It was further agreed that another walk up to Fogg Hill Bog will take place on Wednesday, June 30 at 9AM.

Respectfully submitted,

JoAnn Wood  
Secretary
