IV. OTHER BUISINESS

First order of business is the Center Harbor Site plan review changes. This document is for information purposes which we can discuss at the next meeting. Helen Altavesta coordinated with our circuit rider planner and they reviewed the plan and had some comments, questions and suggestions. The Chair asked the board to review the changes for discussion at the next meeting.

Second order of business is the Zoning Ordinance changes of Chapter 10. The Chair asked if we could vote on this or if there are any other changes. Bill Riccardi suggested changing the word help to guide in section 10:2 Purpose and Intent. David Nelson had some changes that he emailed Helen Altavesta and will work on the final question of 10:6:3.1 should it be 100,000.00 square feet not 50,000.00. The Chair told David Nelson that he could find this information under the DES website under alternation of terrane. Mr. Nelson said he would research and get back to the clerk. Final red-line papers will be submitted at the next meeting.

The Chair changed January's meeting from January 2nd to January 16th.

Discussed Mark Haines request for an amendment to his previous site plan or a new application. Discussion was to fill out a new application and if there is no change to his site plan, he could use that or have it amended to apply to the new application.

V. ADJOURNMENT:

Chair adjourns the meeting at 6:13 p.m. Next meeting is scheduled for December 5, 2023 at 6 p.m.
