

TOWN OF CENTER HARBOR CONSTRUCTION PERMIT APPLICATION

Permit # _____ Fee _____ () Paid () Mail () Pick Up

Date _____

Please fill out every section **COMPLETELY**. A construction permit must be obtained from the Building Inspector for all construction of which the estimate value of labor and materials or change in assessed valuation exceeds \$1,500. A permit is also required for any construction or reconstruction of a septic system. A permit may be granted if the proposed construction is in compliance with all applicable laws, ordinances and regulations. The permit shall remain in effect for one year, after which time the permit will expire unless reapplication is made within 30 days of the expiration date. The construction permit shall be posted in a prominent outside location at the site during construction. (See Town of Center Harbor Ordinances, regulations & Bylaws, "Construction Permits".)
