TOWN ORDINANCES

Town of Center Harbor, New Hampshire

SECTION 1: EMERGENCIES

For any emergency (police, fire, drowning, emergency ambulance, etc.) in the Town of Center Harbor, dial **911**.

For any Police emergency call the Belknap County Sheriff's Department, 253-9756

SECTION 2: ORDINANCES

2:1 Private Sewers and Drains and Sewage Disposals

Be it ordained and enacted by the Board of Selectmen of the Town of Center Harbor, State of New Hampshire, July, 1967, as follows:

2:1:1 Definitions

Unless the context specifically indicates otherwise, this meaning of terms used in this ordinance shall be as follows:

2:1:1:1 “Sewage” shall mean the water-carried waste produced from buildings, public or private, together with such ground water infiltration and surface water as may be present. When used in a general sense herein, the term sewage will include any industrial waste as may be present.

2:1:1:2 “Garbage” shall mean solid wastes, from the preparation, cooking and dispensing of food, and from the handling, storage, and sale of produce.

2:1:1:3 “Natural Outlet” shall mean any outlet into a watercourse, pond, ditch, lake or other body or surface of groundwater.

2:1:1:4 “Watercourse” shall mean channel in which a flow of water occurs, either continuously or intermittently.

2:1:1:5 “Person” shall mean any individual, firm, company, association, society, corporation, or group.

2:1:1:6 “Shall” is mandatory; **“May”** is permissive.

2:1:2 Use of Sewage Disposal Facilities

2:1:2:1 It shall be unlawful for any person to place, deposit, or permit to be deposited in any unsanitary manner upon public or private property within the Town of Center Harbor or in any area under the jurisdiction of said Town, any human or animal excrement, garbage, or other objectionable waste.

2:1:2:2 It shall be unlawful to discharge to any natural outlet or watercourse within the Town of Center Harbor or in any area under the jurisdiction of said Town, any sewage, industrial wastes, or other polluted waters, except where suitable

treatment has been provided in accordance with subsequent provisions of this ordinance.

2:1:2:3 Except as hereinafter provided, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool, or other facility intended or used for the disposal of sewage.

2:1:3 Private Sewage Disposal

2:1:3:1 Before commencement of construction of a private sewage disposal system, the Owner shall first obtain a written permit signed by the Selectmen. The application for such permit shall be made on a form furnished by the Selectmen, which the applicant shall supplement by any plans, specifications and other information as are deemed necessary by the Selectmen. A payment of five dollars (\$5.00) shall be required with each application.

2:1:3:2 A permit for a private sewage disposal system shall not become effective until the installation is completed to the satisfaction of the Selectmen. They shall be allowed to inspect the work at any stage of construction and, in any event, the applicant for the permit shall notify the Selectmen when the work is ready for final inspection, and before any underground portions are covered. The inspection shall be made within forty-eight (48) hours of the receipt of notice by the Selectmen.

2:1:3:3 The type, capacities, location, and layout of a private sewage disposal system shall comply with all recommendations of the Water Supply and Pollution Control Division of the State of New Hampshire. A copy of such recommendations will be kept on file with the Selectmen and the Town Health Officer.

2:1:3:4 At such time as a public sewer becomes available to a property served by a private sewage disposal system, a direct connection shall be made to the public sewer in compliance with this ordinance and similar private sewage disposal facility shall be abandoned and filled with suitable material.

2:1:3:5 The Owner shall operate and maintain the private sewage disposal facilities in a sanitary manner at all times, at no expense to the District.

2:1:3:6 No provisions contained in this article shall be construed to interfere with any additional legal requirements that may be imposed by the Center Harbor Health Officer.

2:1:3:7 The Selectmen may designate a person to act as their Agent with respect to all matters arising under this Ordinance.

2:1:3:8 Management of Septage and Sludge

Pursuant to RSA 147:1 the Town of Center Harbor adopts the New Hampshire Code of Administrative Rules, Chapter Env-Ws 800 State of New Hampshire Septage and Sludge Management Rules, by reference. Adoption of these rules is as a health ordinance, and enforcement of the rules shall be in conjunction with the New Hampshire Department of Environmental Services.

2:1:3:9 This Article shall take effect this 15th day of January 1997.

February 1997

2:1:4 Inspection

2:1:4:1 The Selectmen or their duly authorized agent, bearing proper credentials and identification shall be permitted to enter upon all properties within the Town for the following purposes:

- a. To inspect the extent, nature, construction, and operation of private sewage disposal facilities to determine if such facilities comply with the provisions of this ordinance.
- b. To determine if the conditions comply with the statements contained in the application for connection to a public sewer.
- c. To carry out any provisions of this ordinance which requires access to the property for its proper execution.

2:1:5 Validity

2:1:5:1 All ordinances or parts of ordinances in conflict herewith are hereby repealed.

2:1:5:2 The invalidity of any section, clause, sentence, or provision of this ordinance shall not affect the validity of any other part of this ordinance which can be given effect without such invalid part or parts.

2:1:6 Ordinance in Force

2:1:6:1 This ordinance shall be in full force and effect from and after its passage, approval, recording, and publication as provided by law.

2:1:6:2 This ordinance was adopted by vote of the Selectmen of Center Harbor, New Hampshire, in accordance with the provisions of NH RSA CH. 147, S1.

2:2 Public Sewage Disposal

At the north end of Lake Winnepesaukee (Center Harbor Bay) public sewage disposal is available in the town proper of Center Harbor and in the heavily populated adjoining part of Moultonborough. This is provided by “The Bay District” with a board of three Commissioners. About three and one half (3 1/2) miles of sewer line serve the area, with secondary treatment accomplished by aeration in three lagoons, sixteen acres in area. Outfall from the lagoons is chlorinated.

Information concerning District boundaries, extent of the system, and charges for use may be obtained from any one of the Commissioners or from the Center Harbor Town Clerk.

2:3 Use of the Town Dump

Discontinued – dump closed.

2:3:1 Discharge of Firearms

Discontinued

2:4 Use of the Town Beach

2:4:1 No person shall use the Town Beach for any purpose between the hours of ten (10) pm and six (6) am of each day during the period May 1 to October 15 of each year. Nor shall any person swim off the dock on said Town Beach at any time, nor shall any person deposit cans, bottles, or other rubbish in the water or on the premises except into receptacles provided for that purpose. In addition, there shall be a three (3) hour limit on the docking, mooring or tying up of boats at any Town wharf or dock facility from 8:00 am to 10:00 p.m. There shall be no docking, mooring or tying up of boats at any Town wharf or dock facility from 10:00 p.m. to 6:00 am. In addition, there shall be no boat trailer parking at the Center Harbor Town Beach parking lot. March 2016

Any person who shall violate any part of the foregoing shall be fined not more than thirty five dollars (\$35.00), in addition to having their vehicle, trailer or boat, or all of the above towed at the owner's expense.

2:4:1:1 In 1973 the Town voted to permit Moultonborough residents, property owners and their guests to use the beach facilities of the Town of Center Harbor in exchange for the continued reciprocal right of residents and property owners of the Town of Center Harbor and their guests to use the beach facilities of Moultonborough, said grant or permission to use the beaches of Center Harbor to be contingent upon the continued future right to use Moultonborough beach facilities.

SECTION 4: ORDINANCES

4:1 Street Naming and Property Numbering System

Be it ordained and enacted by the Board of Selectmen of the Town of Center Harbor, State of New Hampshire, August 29, 2001 as follows:

4:1:1 Definitions

4:1:1:1 Addressable structure

- A.** Residential: structure having sleeping quarters, kitchen and toilet facilities.
- B.** Business: structure used for business enterprise having wired telephone. A business enterprise may be comprised of several buildings on the same site.

4:1:1:2 Street: Road, Avenue, Circle, Drive, Lane, Row, Court, Way, Highway, and Route.

4:1:1:3 Island: Land mass totally surrounded by water, access is primarily by boat.

4:1:1:4 Interval: Number given at each fifty (50) feet of frontage.

4:1:2 Authority

In accordance with New Hampshire Revised Statutes Annotated (RSA) and any other lawful authority, the Town of Center Harbor adopts the following ordinance establishing a uniform numbering system for addressable structures within the Town.

4:1:3 Purpose

4:1:3:1 To establish a uniform system of numbering addressable structures and to promote efficiency in locating structures. To provide more expedient emergency response and to provide consistent mailing addresses, also to conform to State-wide Enhanced 911.

4:1:4 Parties Affected

All addressable structures within the corporate limits of the Town of Center Harbor shall hereafter be identified by reference to the uniform numbering system as promulgated, or amended by the Board of Selectmen.

4:1:5 Numbering System

4:1:5:1 The starting point of each street is to be determined by its primary intersection.

4:1:5:2 The numbering begins with each street's starting point.

4:1:5:3 Numbers to the left will be odd.

4:1:5:4 Numbers to the right will be even.

4:1:5:5 One odd and one even number will be assigned to each fifty (50) foot interval of road frontage.

4:1:5:6 If an addressable structure has several possible numbers due to the road frontage, the number closest to the driveway will be designated.

4:1:5:7 Multi-family complexes, mobile-home parks, shopping centers, and cottage colonies shall be assigned only one (1) number to the primary entrance to the street. Units shall be internally numbered according to a logical pattern.

4:1:5:8 Corner lots shall be assigned the appropriate street number that corresponds to the street toward which the structure faces or the street of access.

4:1:5:9 Addressable structures on islands shall be assigned an even number starting from the northernmost part of the island and going in a clockwise direction. One even number will be assigned to each one hundred fifty (150) foot interval of lake frontage.

4:1:5:10 If an owner has more than one (1) addressable structure at one location, a number shall be assigned to each of the structures.

4:1:6 Procedures

- 4:1:6:1** All owners of addressable structures within the corporate limits of the Town of Center Harbor shall affix the assigned number in accordance with this section.
- 4:1:6:2** All properties with addressable structures shall display the assigned street number(s) so as to be readily visible from the street.
- 4:1:6:3** For addressable structures readily visible from the street, the number shall be conspicuously displayed on that side of the structure that faces the street.
- 4:1:6:4** For addressable structures not visible from the street, or greater than fifty (50) feet from the street, the assigned number(s) shall also be conspicuously displayed at the point of entry to the property, so as to be visible on a year-round basis. The preferred method of display shall be on both sides of a mailbox. However, if the mailbox is not located at the point of entry or there is no mailbox, the assigned street number(s) shall be displayed on a sign post or by similar means at the point of entry to the addressable structure(s).
- 4:1:6:5** All street numbers shall be of a contrasting color to the background to which they are attached.
- 4:1:6:6** All street numbers shall be a minimum of four (4) inches high. Island numbers shall be a minimum of six (6) inches high so as to be seen from a boat.
- 4:1:6:7** Assigned numbers displayed on mailboxes shall comply with U.S. Postal Service regulations.
- 4:1:6:8** All road signs shall be approved by the Board of Selectmen or their agent.
- 4:1:6:9** All road signs shall conform to standards set by the Board of Selectmen.

4:1:7 New Buildings and Subdivisions

- 4:1:7:1** Whenever an addressable structure shall be erected or located within the corporate limits of the Town of Center Harbor, designated numbers shall be affixed to the property as provided by this ordinance prior to occupancy.
- 4:1:7:2** Every subdivision or site plan review submitted to the Planning Board for final approval shall show street name(s) and building numbers of each unit or structure as applicable. These names and numbers shall be assigned to conform with this ordinance.
- 4:1:7:3** In all cases, local postal officials, assessing officials, police department, fire department and local ambulance service shall be advised of the street name or building number assigned to the new lots or structure.

4:1:8 Penalties

- 4:1:8:1** Any property owner who fails to comply with the provisions of this ordinance within six (6) months of the mailing date of the “Notification of Property Number Assignment” and/or “Road Name Assignment” shall be guilty of a violation, the penalty for which is a fine of Ten Dollars (\$10.00) per day beginning the day after written notification of the violation is received by the property owner and continuing until the violation is corrected.
- 4:1:8:2** Any property owner who shall affix to or display upon a structure any number other than that assigned to it, pursuant to this ordinance shall be guilty of a violation, the penalty for which is a fine of Ten Dollars (\$10.00) per day beginning the day after written notification of the violation is received by the property owner and continuing until the violation is corrected.
- 4:1:8:3** This section shall not apply to the display of date-of-origin numbers for historic buildings, provided that they are displayed so as not to be confused with the assigned street number.

4:1:9 Appeals

- 4:1:9:1** Any property owner aggrieved by the implementation or the administration of the provisions of this ordinance may appeal to the Board of Selectmen.
- 4:1:9:2** All appeals shall be in written form setting forth the basis for the appeal.
- 4:1:9:3** All appeals shall be acted upon in a timely fashion.
- 4:1:9:4** The invalidity of any section of this ordinance shall not, unless necessary, affect the validity of the remaining sections.

4:1:10 Road Name Change Policy

- 4:1:10:1** Property owners who desire to change the name of a roadway in the Town of Center Harbor shall present a written request to the Board of Selectmen. The applicant must have his/her residential, commercial, or other property located on that roadway.
- 4:1:10:2** The individual or individuals requesting a change of name shall participate in the coordination process. Applicant participation begins at the initial reading of a request received under this policy. The applicant at that time shall receive a copy of the Road Name Change Checklist. Upon completion of the Road Name Change Checklist, the applicant shall return said checklist to the Board of Selectmen for deliberation and approval.
- 4:1:10:3** Upon approval, the individual or individuals requesting the name change shall pay to the Town of Center Harbor a one-time fee of three hundred dollars (\$300.00). This fee will help defray the Town's cost for the installation of new road signs, mapping changes, incidental costs etc. For private roads, upon which the Town will not install road signs, the Board of Selectmen may reduce the fee by the cost of the signs, including installation costs, prevailing on the date of approval.

4:1:10:4 The Town of Center Harbor is responsible to place and replace road signs on Town and State roadways. Property owners or property owner associations are responsible to place or replace road signs in the manner specified by RSA 231:133 and other statutes.

4:1:11 Amendments

This ordinance may be amended at any time by the Board of Selectmen after public notice of the proposed changes.

4:1:12 Effective Date

The above described ordinance shall become effective immediately upon adoption by the Board of Selectmen.

Adopted: August 29, 2001

SECTION 5: REGULATION OF NUISANCE/FALSE ALARMS

The purpose of this ordinance is to establish regulations relative to the installation, activation, and use of fire and/or police automated signal devices.

5:1 As used herein, the following terms shall have the meanings indicated:

5:1:1 Alarm Systems – Any assembly of equipment and devices arranged to signal the police and/or fire departments, either by direct telephone or other communication, of a present hazard requiring urgent attention and to which the police and/or fire departments are expected to respond.

5:1:2 Digital Encoder Alarms – Those alarm systems which automatically communicate an emergency situation, by transmitting a sequential toning signal over a telephone line to a digital communicator, for the purpose of signaling the police and/or fire departments.

5:1:3 Direct Dialer Tape Alarms – Those alarm systems which automatically seize a telephone line connected to the police and/or fire department and reproduce a prerecorded voice message indicating the existence of an emergency situation.

5:1:4 False Alarm – The activation of an alarm system through mechanical failure, accidental tripping, mis-operation, malfunction, misuse, or the neglect of the owner or lessee of an alarm system in which an alarm is signaled when, upon subsequent investigation of the police or fire department, there is no evidence of a fire/smoke condition, intrusion or other legitimate need or legitimate cause of activating the system. It shall not, however, include alarms caused by earthquakes, violent winds, electrical storms, or external causes beyond the control of the owner or lessee of the alarm system.

5:2 False Alarm Charge

Any person who owns or maintains an alarm connected to an alarm agent, alarm business or a person responding to audible alarms which has caused any signal, message, or alarm to be transmitted to the police department or fire department either by direct telephone or other communication and which is proven to be a false alarm shall pay a false alarm charge to the Town of Center Harbor as follows:

Commencing with the effective date of this ordinance and for one (1) year thereafter the service charge for false alarms shall be: First three (3) alarms – No charge. Thereafter, for more than three (3) false alarms during any twelve (12) month period, the service charge shall be one hundred dollars (\$100.00) on the fourth occurrence, two hundred dollars (\$200.00) on the fifth and any subsequent occurrences. Records on false alarms shall be kept and counted separately by the Police and Fire Departments. Invoices for false alarm charges shall be sent out by the Police Department. Payment is due within thirty (30) days of invoice date.

5:3 Notice to Disconnect For Excess False Alarm

Whenever a particular alarm system has resulted in six (6) or more false alarms during a period of twelve (12) consecutive months, the Chief of Police or Fire Chief shall send to the party responsible for that alarm system a notice by certified letter, with return receipt, advising them that the alarm will need to be disconnected. The responsible party for the alarm system shall be responsible for contacting their alarm company to disconnect the system and must provide written proof that the system has been disconnected.

5:4 Notice of Disconnect – Failure to Pay

In the event that any person responsible for the operation of an alarm system fails to pay within thirty (30) days from the date on the false alarm invoice issued, the Chief of Police and/or Fire Chief shall cause to be sent to that person a notice by certified letter, with return receipt, that the alarm must be disconnected.

5:5 Disconnect Notice Handling

Any person receiving a disconnect notice shall have thirty (30) days to show just cause to the Board of Selectmen why that alarm should not be disconnected. In the absence of just cause, the alarm must be disconnected at the end of the thirty (30) day period and written proof that the system has been disconnected must be submitted to the Police/Fire Departments. Owners of disconnected systems may apply to the Board of Selectmen to be reconnected within thirty (30) days of disconnect. Proof of repair is required in all cases of a faulty mechanism. Written permission from the Board of Selectmen is required before any system that was previously disconnected may be reconnected. Owners of any system that has not been disconnected after order to do so, or any system reconnected without permission of the Board, is subject to further fines.

5:6 Appeals Board

Any person aggrieved by decision to impose a fee under the provision of this ordinance may appeal that decision to the Board of Selectmen.

5:7 Written Permission Necessary and Installation Requirements

No alarm system, as defined above, may be installed or operated within the Town of Center Harbor without prior written permission received from the Fire Department and/or Police Department. Furthermore, all new installations of fire alarms shall require the installation of a “Knox Key Box,” a key safe box, accessible by the Fire Department. Knox Boxes are not required for systems that have only burglar alarms.

All alarm systems, both new and existing, must be registered with both the Fire and Police Departments as to location, type of alarm, and responsible person(s) to be contacted.

5:8 Direct Dialer Tape Alarm Prohibited

The use of direct dialer tape alarms directed to any Town Offices, including the Fire and Police Departments or their respective dispatch centers, is prohibited and permission will not be given for their use. Any person responsible for the misuse of such alarm shall be guilty of a criminal violation in accordance with RSA 370-A.

5:9 Digital Encoder Alarms

The use of digital encoder alarms is prohibited.

5:10 Responsibility to Maintain Access to Property

Any person who owns or maintains an alarm connected to an alarm agent, alarm business or a person responding to audible alarms, which has caused any signal, message, or alarm to be transmitted to the police department or fire department either by direct telephone or other communication shall be responsible to maintain access to the alarmed property year round.

Failure to do so shall result in the inability for the Police/Fire Departments to respond and investigate any alarms, and may result in an order for reconnection of the alarm system. Any person receiving such a disconnect notice shall have thirty (30) days to show just cause why that alarm should not be disconnected. In the absence of just cause, the alarm must be disconnected at the end of the thirty (30) day period and written proof that the system has been disconnected must be submitted to the Police/Fire Departments.

5:11 Responsibility to Provide/Update Information

Any person who owns or maintains an alarm connected to an alarm agent, alarm business or a person responding to audible alarms, which has caused any signal, message, or alarm to be transmitted to the police department or fire department either by direct telephone or other communication shall be responsible for completing an Alarm System Information Form for the Fire and/or Police Department(s) depending on the type of alarm system. This includes all systems currently in use prior to the commencement date of this ordinance. Forms are available through both the Fire and Police Departments. All forms must be turned into the Police Department, who will in turn be responsible for disseminating fire alarm information to the Fire Department. All forms must include at least one (1) local responder, defined as any party responsible for the property. All responders must have a key to the premises.

Any person who owns or maintains an alarm connected to an alarm agent, alarm business or a person responding to audible alarms, which has caused any signal, message, or alarm to be transmitted to the police department or fire department either by direct telephone or other communication shall be responsible to update both the Fire Department and Police Department of any changes in regards to their alarm system. This includes location, type of alarm, and responders. All changes must be submitted to the Police Department within thirty (30) days of a change.

Failure to do so shall result in the inability for the Police/Fire Departments to respond and investigate any alarms, and may result in an order for disconnection of the alarm system.

5:12 Knox Key Lock Box

Any person who owns or maintains a fire alarm connected to an alarm agent, alarm business or a person responding to audible alarms, which has caused any signal, message, or alarm to be transmitted to the fire department either by direct telephone or other communication shall utilize a Knox Box Rapid Entry system. Applications for boxes and related hardware require the Knox Authorization Order Form with a Fire Department Authorization signature, available through the Fire Department.

5:13 Implementation of Ordinance

Any person who owns or maintains any alarm system within the Town of Center Harbor is granted thirty (30) days from the effective date of the ordinance to submit an Alarm System Information Form to the Police Department. A period of one hundred eighty (180) days is granted to apply for a Knox Box. Any person found to be in violation of this shall be subject to further fines.

Approved and effective this 8th day of February 2008

Section 6: Disorderly Actions

6:1 Policy Statement

Any person violating any of the provisions of this section shall be guilty of a violation as defined by the Criminal Code of the State of New Hampshire or shall allow his or her skateboard or scooter to be impounded by the Chief of Police or any police officer for a period not to exceed thirty (30) days or both.

7.6 Towing

The Police Department is authorized to remove and tow away or have removed and towed away by commercial towing service any abandoned vehicle or other vehicle illegally parked in a place where it created or constitutes a traffic hazard, blocks the use of a fire hydrant or obstructs snow removal operations or is parked unattended on

the Town Beach, or obstructs the movement of any emergency vehicle, or is otherwise in violation of Town parking ordinances. Vehicles towed for illegal parking shall be stored in a safe place and shall be restored to the owner or operator upon payment of all fees for towing and storage.

7:6:1 Liability

No custodian or police officer shall be liable for damages to any vehicle while it is in his custody under Section 7:4 provided he exercises due care.

7:7 Load Limitation on Class V or Class VI Road

The Selectmen may post a limit of twelve thousand (12,000) pounds gross vehicle weight on any town road as they may deem necessary from February 1 to June 1. The Selectmen or their designee will post notice of such limitations twenty-four (24) hours prior to their taking effect.

7:7:1 Penalty

Whoever shall fail to comply with the provisions of these articles shall be guilty of a violation and subject to a fine of two hundred fifty (\$250.00) dollars for the first offense and five hundred (\$500.00) dollars for the second and subsequent offenses. For the purposes of this article, each load hauled, transported or moved over said town road shall be a separate occurrence.

8. Utilization of Roadway

8:1 Utilization of Roadway – Traffic Control Officers

Pursuant to the authority of RSA 41:11 and RSA 47:17, the Town of Center Harbor hereby adopts the following ordinance regarding the use of Traffic Control Officers:

Section I: Utilization of Roadway. Prior to the commencement of construction of a roadway, repair of a roadway or the construction or repair of items adjacent to the roadway where such repairs or construction might interfere with traffic, it will be the responsibility of the contractor, public or private utility company or private person to supply one or more, as determined by the Chief of Police, traffic control officer(s) to facilitate the safe passage of motorists or pedestrians. Traffic control officer(s) can be either qualified traffic control officers or uniformed police officers as determined by the Chief of Police. At all times the traffic control officer(s) will be identified by wearing a safety vest. The number of traffic control officer(s)

needed for a job site shall be determined by the Chief of Police after review of the road size and type, traffic volume and expected weather conditions.

The Chief of Police or his designee may, upon examination of the work site, waive the requirement to employ a uniformed police officer, if in his opinion, it is not necessary for public safety and convenience. In such situations, a properly trained non-police officer may serve as the traffic control officer.

This Ordinance shall not apply to work that is being done by the road crew of the Town of Center Harbor or the State of New Hampshire as they are exempt by this statute.

Section II: In the event that any provision of **Section I** is violated, the Chief of Police is empowered to issue a cease and desist order against the contractor or his/her employees; such cease and desist order shall remain in effect until there is a strict compliance with this Ordinance. In addition, a fine in the amount not to exceed five hundred dollars (\$500) per day may be assessed for each day that a violation continues.

This Ordinance shall take effect upon its passage. (Adopted April 29, 2015)
